

MPA UNIFORM POLICY: PREK- GRADE 4

At Mounds Park Academy, our Lower School students benefit from wearing uniforms, as they contribute to a positive and equitable school climate and a sense of belonging. Uniforms help to underscore consistency and cohesion, while also emphasizing each student’s dignity and wellbeing. Our uniform policy is designed to be gender inclusive. Any student can wear any part of the uniform noted below. Parents are welcome to source the items from a variety of retailers and price points. We have also noted a few uniform providers below.
